## **Bethel Christian Academy**

Serving 50 students in Christian Education

Bethel Christian Academy seeks to provide an atmosphere of learning, for students, parents, and staff, that promotes the teachings of our Lord and Savior, Jesus Christ. We believe this environment is conducive for individuals to flourish and build a foundation that will support superior academics. These studies are required in order to excel in the marketplace, higher education, or contribute to the society in which we live. The eternal value of exposing all who are involved in this school system cannot be measured, nor can the desire of Bethel Christian Academy to provide instruction based on the Word of God be measured in human terms.

**And he called his ten servants, and delivered them ten pounds, and said unto them,  
Occupy till I come. Luke 19:13**

The word “occupy” literally means to stay busy. In this parable the Lord gave each of his servants a unit of money called a pound and instructed them to occupy – to stay busy – to do something with the money that He had given them so that when He returned He would receive a profit. Two of the servants had been diligent to invest the money wisely and when the Lord returned he received from both a substantial increase. However, one of the servants took the money and buried it, and gave it back to the Lord with no increase. The Lord rebuked him sharply and took the pound from him and gave it to the man who reaped the most profit.

The Lord has given each of us many things. He has given us talents and abilities; and He has also blessed us with material possession. We are to “occupy” with all of the gifts that the Lord has given us, meaning we are to stay busy, using them for His glory. We are not to waste the gifts He gives; we are not to keep them for ourselves; we are to bring them back to Him with an increase, a profit.
